HP Durable Frontlit Scrim Banner is a mid-priced, 16-oz. durable media delivering high-colour brilliance and image quality on a smooth matte finish. Fire-resistant and reflective qualities make it a great choice for indoor use[1].

Ideal for mid-volume print service providers (PSP) looking for well-priced indoor banner with a high-quality look.

Durable and fire-resistant (NFPA 701/B1/M2) PVC scrim banner fits a range of indoor and outdoor applications where high visibility and impact are desired.

This PVC frontlit scrim banner has a high-quality matte finish that renders high image definition and vivid colour for maximum impact. Smooth surface provides good ink adhesion and renders brilliantly sharp images.

HP Durable Frontlit Scrim Banner is perfect for a wide range of indoor or outdoor displays; this breadth of applications makes it an exceptionally versatile media.

[1] Meets the following fire-resistant ratings: NFPA 701 (USA) B1/DIN 4102 (Germany)and M2/NFP 92-501 (France)
